It's okay by Girl.xox on 2021/12/28 20:47 This game is extremely addicting and fun. It's just too bad that there are ads all over the place, along with the fact that you can only play 1 game at a time instead of being able to play multiple games concurrently. Way too many ads and it takes too long for me to get through each one. I'd give it a five star rating if it didn't have so many annoying ads and you could play more than 1 at a time.",

This game features eight "coin tokens" which represent fruits, vegetables, and animals. Players collect these coins during the gameplay to earn points in the game. Three of the coins are represented by card illustrations; these coins are more likely to be found in chest rather than buried in the ground as with coins with illustrations of humans and animals. There are currently five sets available; one set is for each type of coin (four sets for negative coins and three sets for positive coins) giving a total of twenty-eight characters.",

The game has been acknowledged for its attempted humor by including references to

some real life items such as "Horse Head Oreos" and "Circle of Death" from the video game "Halo". "Coin Master App" has gained notoriety on the Internet for various reasons. One of the main reasons is that the game has a 1 in 4,000 chance of appearing on a player's mobile device. The App's "Coin Master" Twitter account posts new activity and awards every couple of minutes.",

The current version of the game contains the following features: On June 3, 2021 Coin Master - Cardboard Mode received an update to implement support for iOS devices which included a new background, shutter glasses, cropping and screen rotation. Along with this came a new Cardboard Mode icon to reflect these changes. This update can be downloaded from both Google Play or directly from Apple's App Store.",

Five years later... by Phil2021 on 2021/11/28 22:56 I was looking up this game to see if it still existed and that's when I found my love for the game again. It has been five years since the last time I played this, and I definitely missed the challenge that made me play again and again. Graphics are still good, gameplay still needs minor updates (minor looks like), but overall it's still a great game!! Before you write a bad review, check out your options for the game first. There are a lot of great games out there that you can play.",

The developers of Coin Master have said that the game is not free to play but does include advertisements. A user review on iTunes states that "The main problem I have with Coin Master is the lack of gameplay variety and difficulty spikes" and remarks that "once you've played through a level, chances are it won't take you long to beat the next one". The developer of Coin Master has countered this criticism by stating that they are "working to add difficulty spikes and more levels in order to make them more challenging and replayable".",

Fun but laggy by AaliyahHuggs on 2021/03/09 21:50 To start the most annoying thing in this game is how slow everything loads and how long you have to wait for everything to come! The game keeps freezing and lagging and i really dislike that. It's so frustrating when it lags and you can't do anything. It makes me delete the app. Also the amount of coins you get from spinning is way to low! It takes a lot of time just to get that much! Overall it's a fun game but it needs some fix ups. "»,

Fun by lizzykitty77 on 2021/06/14 03:59 This game is fun and addictive you can win prizes and get free coins but there are to many adds. It takes a long time just to level

up and get coins. But otherwise it's a great game!",

Good game but... by 1-2-3! on 2021/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",
