Great Game by Brianna20212021 on 2021/07/25 01:10 I personally love this game because you get rewarded better as you play the game. It's fun and very addicting and also they update it every once in awhile so it's always fresh. One thing I wish they did was allow more opportunities to get coins for free instead of going to a shop and buying coins with money. It would be a lot more fun if they added mini games that gave you a chance to win free coins or even a small lottery that you

could enter. I think it would add more fun to the game. Other than that this is a great game and I highly recommend getting it if you haven't played it already.",

Awesome game, but.. by Rachel dY•• on 2021/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",

Good but needs work by MadJoeDandy on 2021/02/16 14:50 Haven't played this in a while but seems like it hasn't been updated much since iOS 8 was introduced. There are a lot of ads but not the annoying adds found in some other games. I get that you need money to keep it running but includes really not necessary. The game is fun and it's OK. It's hard to get rid of those stupid ads though",

Good game but needs improvement by Blazinjoe on 2021/11/01 00:52 The idea for this game is great! It's really fun and all but there's a few things that need to be fixed. First off, you guys should make it so that when someone asks for a gift, the person who asked the question can see who is sending them gifts. I know this sounds kinda petty but I've been on here a while and have had this issue more than once and it's just plain annoying to have people leave you hanging by not giving you what you asked for when they accept the request. There's also something in game chat that

needs to be fixed. In game chat lags way too much and it's really annoying. And lastly, please make it so people can say "thank you" to each other when they receive gifts or spins etc... I personally love this app and I would rate it 5 stars but these things should be fixed.",
