Users can't defend themselves since the only way they could do so is by contacting an administrator or lawyer. Administrators can ban users for doing anything they don't like or don't agree with. However, administrators have been known to ban users for no reason at all, usually if the user is a moderator or an insignificant/low-level user.

Rated 4 out of 5 by Anonymous from This game was fun When I first started at roblox I was a bit confused because I did not know how to play it. After some minor confusion, I got the hang of this game and it was really fun! Rated 4 out of 5 by Anonymous from Alright This game concept is great but has a lot of ads which is very annoying. The gameplay kinda ruins the whole thing. All for the ads though. Rated 4 out of 5 by Anonymous from Amazing game Roblox is so much fun, almost like real life! The only thing I don't like is the suggestion for the game to make it more realistic, but that's just my opinion. I think this app could be a 5/5 but unfortunately there are a lot of annoying ads. Rated 4 out of 5 by Anonymous from add more features I would recommend this app to other people because there's a lot of different games and you can play them all. I give this app 4 stars because there's only one problem the app keeps on closing on an add opens up I end up getting logged off and then I have to log back in again and then I start the game over the add pops up again so you can't play with out the game closing.BUT besides that it's a great app! Rated 4 out of 5 by Anonymous from Sim It's a pretty good game, since I can pretend that it's real life.I don't like how you have to download things, though.There are also a lot of bugs. Rated 5 out of 5 by Anonymous from roblox Roblox is the best game ever you can do so much with your imagination it's like real life.If you have a roblox account me and my friend joshdoe2021 will be happy to join your games and become your friend. But do not accept random people as friends because they will ruin your game. Rated 4 out of 5 by Anonymous from roblox review This is the best game I have ever played before it's like a real life adventure it's fun and you can play with friends and you get to be whoever you want. There are all kinds of concepts there's my little pony, space, adventure, roblox is awesome so get started I am telling you right now that this app was the best thing I've ever played before it's awesome! Rated 4 out of 5 by Anonymous from Add green locks I love this app because of how much fun there is! The green locks are one of my favorite features. I just wish you could edit your place in real time, like on ROBLOX. I have put a lot of work into my place and it takes forever to change when I travel there. Rated 5 out of 5 by Anonymous from roblox Roblox is awesome!!! The only problem is some glitches when I press play on them sometimes they won't work or crash. It's great!! Rated 4 out of 5 by Anonymous from roblox It's so cool, I love that you can be whoever you want. I think you should make the game even go more places. I know there is a lot now but if it goes to much we could get bored of it. Rated 5 out of 5 by Anonymous from roblox review This game is so good and easy, but one thing is that sometimes it doesn't work and people don't know how to repair glitches Rated 4 out of 5 by Anonymous from roblox review The game is fun and i love the green locks! But there are glitches where sometimes the name or whatever you put in won't come up. Please fix this glitch. This game keeps me occupied when i am bored but is hard to play at school because there's no wifi. But its fun and addictive and i love it! Rated 5 out of 5 by Anonymous from roblox review I think roblox is a really good game .I think that you should add more then 4 players on a server because if u have 30 people that want to play you have 2 just sit there and off line and not know what to do. Like I said before more than 4 players on a server please. I also think you should add no lag and or slow down in the game or else it will be boring.Thank You Rated 3 out of 5 by Reviewer123 from Issues I love this game but there is problems. There is no chat bar it makes me mad because everyone talks with each other on mics and get mad at them for not being in game but they don't know because there's no chat bar.

Although the app is designed for ROBLOX users to chat and connect further outside of the website, it also has additional features similar to those available on ROBLOX: users can play games together through group chat, use images and video to communicate with their friends, and create customized avatars for themselves.

I really liked playing my own games because it was fun to design a new world for my friends and myself. In my game I could make up anything I wanted. I could add trains, people, animals and pretty much anything else you can think of. I also liked making my own avatar because it gives me a lot of choices in making the way they look. Another thing I was really interested in was Roblox role play which is basically acting like someone else for a little while. You can choose one of your friends or even make up a new person and act like them until you want to stop again. This is good for kids because they get to learn how to act like they're someone else. It's also good for when they have to act in school and it can teach them a lot of things.

I wanted to create an article about Roblox because it is my favourite online game. I am also writing this blog with the intention to help my friends who are interested in trying out the game. Roblox is free to play and it is very active almost every day of the

Roblox was created by a company called Ellation. According to Wikipedia, Ellation is a gaming production company based in San Francisco, California. They started out with games that were mainly for children but now have many different types of games in which you can play with your friends and family. Some of the games have mini-games where you can buy special items or earn coins in order to unlock new areas or items. The idea behind Robux is that players can earn Robux by playing and participating in the game universe. With this system, players do not need to spend money on anything; they just collect more Robux as they play in the game. Robux is the virtual currency of Roblox and can be bought in packages or earned in-game.
